

How is your Catholic parish alleviating the silent suffering of dementia?

FREE 112-page ebook (details below)

Thank you for your interest in **The Peace with Dementia Rosary**, a lay ministry dedicated to helping busy Catholic families impacted by Alzheimer's and other types of dementia.

Dementia is a commonly misunderstood *group of symptoms* that is caused by various diseases; Alzheimer's disease is just one "type" or cause. The condition of dementia can lead to **stigma, exclusion, isolation, and unnecessary suffering** of families. There is no known cure to the various types, but adaptation to this overall *disability* is possible.

Our Catholic faith, through educated clergy and laity inspired by the Holy Spirit, has the supernatural and earthly means to recognize the **dignity of, and to foster inclusion, accompaniment, and healing** to those families on the dementia *journey*.

Towards this goal, we shine a light on the importance of the Sacraments, pastoral care, consistent prayer - especially the Holy Rosary, caregiver support groups, practical dementia education, and communication training.

Can you help us spread this good news?

Our ministry currently serves Catholics though:

- Free education at www.DementiaRosary.com: Videos, articles, weekly newsletter, and audio podcasts about where our faith and dementia intersect
- Accepting prayer intentions on our Dementia Prayer Wall at our website
- The book, *The Peace with Dementia Rosary: Education, Intentions, Community* (2019) in both paperback and e-book formats - FREE 112-page e-book by adding your email at our website www.DementiaRosary.com
- Community message board for posting questions and interacting

Our book was granted the *Imprimatur* by the Most Reverend Gregory M. Aymond, Archbishop of New Orleans on June 6, 2019.

For sustainability of our mission, this "ministry for memory impairment" also offers:

- Virtual live training for dioceses, clergy, and lay parish ministries
- One-on-one consults with families to figure out their situation, with a Catholic gerontologist faithful to Church teaching

Interested in dementia awareness training for your parish or deanery?
