MyCatholicDoctor accepts most insurances. If you do not have insurance, are out of network, or use a health sharing ministry, we have discounted self-pay rates available.

Find a faithful clinician you can trust

MyCatholicDoctor is a nationwide pro-life organization that brings a network of faithful medical professionals to patients through video visits/telehealth. We can initiate your medical care virtually, order any necessary labs or imaging, and send prescriptions to any pharmacy of your choice. We practice evidence-based scientific medicine from a Catholic perspective and integrate Catholic spirituality into our care as appropriate to the situation. We see all people regardless of religious affiliation.
